MARKET STRUCTURE

- **THREE TYPES OF MARKET**
- UPTREND
- DOWNTREND
- SIDEWAYS

UPTREND

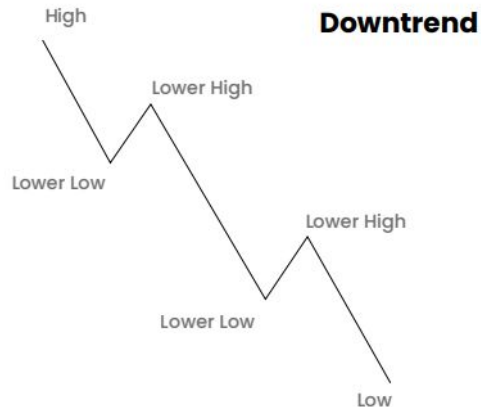

- Market will create HH and HL
- Always look for buy in uptrend
- Buy = HL

DOWNTREND

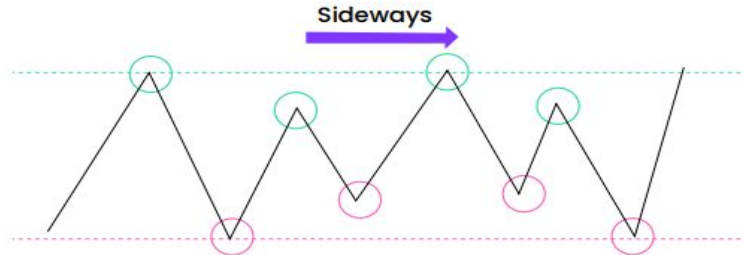

- Market will create LH and LL
- Always look for sell in downtrend
- Buy = LH

SIDEWAYS

- Market will not create High and Low
- Avoid trading in this type of market
- Wait till price break the range (sideways)

THANK YOU
